## 7.0 STAGING OF THE PLAY: FOOLS - 2022

## 7.1 INTRODUCTION

The Literary Club of Puducherry Technological University stages a play on Literary Day. The culmination of a month long of literary events. The play is the crowning jewel of Literary Day, with all the students and faculty of the University in attendance, the cast and crew adorn the stage like stars in the night sky. This year, an adaptation of the play *“Fools” by Neil Simon* was staged on May 20<sup>th</sup>, 2022, Literary Day of Puducherry Technological University.

This play follows **Leon Steponovich Tolchinsky**, who takes a new job as a schoolteacher in **Kulyenchikov**, a remote village in Ukraine. At first, the people here seem strange and rightfully so, for he learns that there is a curse inflicted on this village that makes everyone stupid. The course of action Leon takes, now that he has come to know of this strange predicament, the complications that ensue along his journey and how he frees the people of Kulyenchikov from this terrible curse is the focus of the play’s plot.

The staging of this play was the culmination of months of effort by the cast and crew. The adaptation, direction, set design were all done by the students. The play was well received by the students, alumni, faculty and the dignitaries who witnessed the performance.

## 9.0 CURIOSO 2022

### 9.1 INTRODUCTION

CURIOSO is the flagship event of the Literary Club of Puducherry Technological University. It has a marathon of events focused on enhancing the soft skills of the students of the University, providing them with the opportunities to discuss, debate, consult and speak their views on multitude of themes and topics that require participation from students in Higher educational institutions as stake-holders in various titles.

A total of **28 events** were conducted for the students of first, second- and third-year Undergraduate students of the University. The students thronged in huge numbers, braving the odds and participating in all the events, gaining much needed practice in speaking, writing and taking part in group events and handling group dynamics at various levels of intensity.

The winners were provided with **certificates and books**. The **individual champions** of each year of study were honoured with the **Champions' trophy** on stage on Literary Day. The **Department champions and runners-up** of each year of study were presented with the **Rolling Shields**, which shall remain in their departments for the next academic year, till the beginning of CURIOSO 2023.
