TAMIL MANDRAM CLUB REPORT

08.06.2022

Tamil Mandram has been formulated, in order to emphasis the Tamil language and to enrich the linguistics of students to regulate the student activities progressively in terms of discipline and knowledge. The Tamil Mandram enhances the Tamil flavour among all the staffs and the students. This organization is based entirely on Tamil language and literature. Tamil Mandram activities are mainly focusing on bringing out the literary skills of students. In our university every year, it conducts various events for students. The events include Elocution, poetry, debate and essay writing etc.

The main aspiration of Tamil Mandram is to foster student's knowledge in Tamil Literature and bringing out the talents of students in the Tamil language and showcase it out to the world. Dissemination of Asian Tamil culture among the youth of our institution and to encourage the students to enhance the taste for Tamil and to develop their skill. Tamil Mandram motivate the students in the active learning process of Tamil language and to build up the confidence and groom the talent of facing various inter personal activities. Tamil Mandram teaches the students to learn and to experience the Tamil history and the Tamil culture well through this club.
